

START SHIPPING WITH EASTERN AIR CARGO.

GENERAL CARGO SALES

Eastern Air Cargo offers space on a free-sale basis through our existing Eastern Airlines passenger-based cargo network. Eastern Airlines currently has cargo space available on our fleet of Boeing 767 and Boeing 777 aircraft.

CARGO CHARTERS

Eastern Air Cargo's fleet of specialized Boeing 777 Express Freighter (B777EF) aircraft are available on a charter basis to serve all your cargo needs. Our fleet of B777EF dedicated cargo planes will deliver flexibility and capability to ship e-commerce goods worldwide, suitably equipped to carry a high volume of light weight, small, and easily handled boxes and goods.

ACMI/WET LEASE

Eastern Air Cargo offers our Boeing 777 Express Freighter (B777EF) aircraft through ACMI or Wet-Lease options. EAC is available to meet your company's existing cargo needs for your schedule and desired network.

Eastern Air Cargo has developed an innovative all-cargo conversion for B777 aircraft purposefully designed for the express freight e-commerce market.

EASTERN'S E-COMMERCE FOCUSED EXPRESS FREIGHTERS MAXIMIZE VOLUME CAPACITY AND RANGE WHILE MINIMIZING CONVERSION COSTS.

PREPARE FOR TAKEOFF

Eastern Air Cargo (EAC), operated by Eastern Airlines (EAL), has brought a fleet of purposefully designed, specialized Boeing 777 Express Freighter (B777 EF) aircraft to the market to meet the rising demand for global air freight services and e-commerce. The B777 is the most successful widebody aircraft ever built and the Express Freighter's twin-engine range and performance is perfectly suited to meet the unique needs of the e-commerce cargo market. We offer a range of secure and highly flexible air shipping products, which allow a choice of delivery options to best suit your requirements.

GLOBAL NETWORK

Our global freighter network and charter services let you ship to and from destinations around the world.

VETERAN TEAM

We have the longstanding commercial, technical and operational experience providing the highest levels of customer service possible.

PROVEN TRACK RECORD

On-time performance is fundamental to providing both scheduled air cargo and passenger services. Our team works 24/7, 365 to ensure our flight schedules run seamlessly.

TAILORED SOLUTIONS

Our dedicated team manage multiple connections at a competitive price and are always on hand to help whenever you need us.

TYPICAL CARGO

Light-weight boxes and packages

Electronic items such as mobile phones can be carried

Declared Dangerous Goods can be accommodated in accordance with IATA DG rules and regulations (subject to EAL approvals)

Regular size cargo loaded via passenger door (Option 1 and 2 only)

No special or "out-size" cargo – not suitable for cargo typically carried on "freighters" such as cars, horses, heavy drilling equipment, aircraft engines etc.

Perishable cargo such as flowers, pharmaceuticals, fruit, and vegetables packed in suitable sized packaging
